

Many will enter, one will win.

Who will it be?

Find out 4:00 pm Wednesday, October 31, 2001 at the
Las Vegas Convention Center McMullen Argus Booth #9036.

Mothers® Polishes•Waxes•Cleaners introduces the “Shine,” a new world class award dedicated to automotive excellence. Twenty pounds of magnificent, hand forged bronze commissioned by Mothers®, designed by legendary automotive builder Chip Foose and sculpted by renowned automotive artist Steve Posson.

Hundreds of vehicles of all types have a chance to win the “Shine” or one of ten other automotive excellence awards. The winners and their owners will be nationally recognized on Mothers® television shows aired on ESPN2 and Speedvision. Don't miss it!
